Rocky Mount, North Carolina

Foreword

We, the Wescomb Staff of 1968, have tried to give you an annual which you may long cherish. We hope that years from now, you can look at these faded pages and again enjoy your moments at West Edgecombe.

"West Edgecombe School, we give thee praise,
For knowledge gained within thy walls,
For many happy golden days,
And memories we will e'er recall.
Hail to thee! Wherever we may roam,
We'll sing thy praises, West Edgecombe!"

Dedication

Miss Mary Lee Worsley

The staff proudly dedicates the "1968 Wescomb" to Miss Mary Lee Worsley. Her lofty ideals are deeply implanted into the lives of her former students as well as those of today.

"A perfect woman, nobly plann'd
To warm, to comfort, and command
And yet a spirit still, and bright
With something of angelic light."
Wordsworth

Miss Lynette Mangum

She has understood our problems with an admirable smile. She has inspired us with confidence, encouraged us when we were disheartened, and enhanced our dreams for success. The staff proudly dedicates the 1968 Wescomb to her.

My Dear Home Ec Teacher.

Mrs. Brown it would take much more than I could ever write to say how much you have taught me the past three years. I don't regret one minute of it now. I have enjoyed my three years of Home Ec. with you and I feel it shall help me much through the years. You're really a great teacher and I'll miss you much. Keep on teaching like you have before and no one could ask anymore of you. you have also been a very dear friend. May God Bless and Keep you Mrs Brown.

Love
Linda Hill

P.S. Don't worry, I'll finish school. "I'll never forget ya"

my dearest teacher + friend,

There are no words to describe how much I have really enjoy knowing you. You have really taught me things that I just knew I would never learn. I have thoroughly enjoyed it and I will never forget what you have done for me. You have given advice to us and it has really helped me. I hope we will always be friends and I hope it grows closer. Thank you for everything. May God bless you and enrich your and your husbands life.

Love ya!

Mrs. Brown, (Aunt "J")

Thanks for all of your understanding. I've enjoyed Home E. this year. Did you ever find out what cream of tartar is? Please keep that twinkle in those brown eyes. I'll see you later.

Love,
Connee

Mrs. Brown,
It has been nice being in your room the last two years. Don't fuss too much at the freshmen that are coming up next year.

Love,
Gail Joyner

Mrs. Brown,
I think of all the teachers I have had I think you are the greatest. We have done more joking in your class for the rest of my classes. I sure hope you don't take all my talking serious because I'm just messing. I don't really hate you and all that stuff. The only bad think I can think about you is when you have a swinging good time with that paddle. You know you can't really hit hard. I ought to know. I think this class is the best in the whole school. Well I better quite for now or I'll run out of ink.

Your greatest admirer
Betty Jean Ellison

Mrs. Brown,
It's really been a pleasure to have had a teacher. There are good moments and bad. This class is the greatest, because we laugh and joke all the time. Everybody says Home Ec. is hard I don't think so. Because when you talk to us everyone thinks you are kissing. But I have thoroughly enjoyed being in your room for 2 years. Next year will make the 3RD year. May God Bless you!

a student,
Evelyn Polson

mrs Brown,
When you are
around, there is fun. I
have had so much fun
with you this year.
Hope to see you again
next year. I will never
forget that day you paddle
me. Remember! Last year!
Bye for now.

Your friend,
Nancy Watson

Mrs. Brown,

I have enjoyed having you as one of my teachers. Although I may have acted the dumbest in the world I did learn a lot more than I knew before I took Home Ec.. I must say that I will miss doing odd jobs for you during my spare time. Of all the teachers I have found you to be the most understanding. Stay sweet as you always are will always be loved by your students.

A friend always,
Carolyn Greenaltan
